A New Young Player

For our interview this week, we talked to Jamie Zvension, the newest football player with the Manchester United Young Players team.

Jamie was in a football skills competition with fifteen other young players and he was the winner!

Jamie is still very young only sixteen, but now he's going to play for Manchester United. He told me that he feels very happy and excited about this because he has always dreamed of playing football for a famous club. He has played football all his life and he remembers scoring his first goal at school when he was only six years old!

Because Jamie has to spend a lot of time with the Manchester United Young Players team, he can't go to school. Lucky him! But the club makes sure he continues his lessons with a teacher at his home so Jamie does not miss anything from school, including homework!

Jamie is able to phone his friends every day and sometimes he sends them an email. He can't see them much as he wants to but they often come to watch him play football for the Manchester United Young Players team at weekends.
