• READING COMPREHENSION: Read Mary's letter.

Dear Camille,

Hello, My name's Mary's Miller and I'm twelve and a half. We come from Germany but we live in Shrewsbury, a town in the North- West of England.

I've got one sister, Emma; she is fifteen. My father is dead and my mother teaches Maths at my school called King's School. I look like Mum but Emma doesn't. She has got long black hair and her eyes are brown. She is short, I'm not!

King's school is about 5 miles from the centre of Shrewsbury, so my Mum drives me there and back everyday. The school has got nine hundred and fifty pupils, boys and girls. The sports centre is new with six tennis courts, a big swimming-pool ... In the library, there are a lot of books, comics, DVDs and many computers so we can surf the internet at break time. We have got a computer and a video-projector in each classroom.

Do you enjoy reading? I love looking for information on heroes, inventions, science ... I am keen on computing and guess what? I want to be ... a computer analyst!

I really like going to school. Do you? My favourite subjects are History and Biology: the lessons are never boring. As for French, I don't understand what the teacher says!

What are your hobbies? I am in the school orchestra and I play in the junior tennis team at the weekend (I am quite a good player!). Near our house, there is an ice-rink. My friends and I go there twice a week. In summer, I do a lot of water sports, like scuba-diving or sailing and in winter, I spend a lot of time skiing and sledging. It's really fun!

Have you got any pets? I have got goldfish and I love walking Beep, our four months old fox-terrier.

Today I've got a lot of homework to do and my books and clothes are everywhere on the floor but it is usually tidy ... thanks to Emma!

Well I stop now because it's dinner time.

Please write soon and tell me a lot about France and your family!

Love from,
Mary
